

New Managing Director Paula Rosa Manhattan

Eric Prescott is appointed new Managing Director of Paula Rosa Manhattan from the 30th of November 2015. Eric succeeds Iain Flitcroft who will continue to work with Business Development within the group.

Eric Prescott is an experienced CEO and MD within the construction, engineering and furniture industries. He was until recently Group CEO of Havelock Europa plc, a large global manufacturer and installer of shop fitting, school and hospital furniture and fixed equipment.

Eric's previous positions have included Director of Operations at Tarmac Civil Engineering, Managing Director of Balfour Beatty Rail Infrastructure Services and Country President and Managing Director of Alstom UK.
