

## Ballingslöv International acquirer in UK

**Ballingslöv International AB has, as per Jan 3 2013, acquired all shares in the UK kitchen manufacturer Southdown Kitchen Ltd, operating under the brand Manhattan Furniture**

Manhattan Furniture is one of the fastest growing kitchen manufacturers in UK the last years. The business model is the same as the Group's present UK operation, KWP Interior Ltd, is working with. Ballingslöv International plans to integrate the entities under one joint responsibility. MD for the joint operation will be the Executive Chairman of Manhattan Furniture, Iain Flitcroft.

"We continue to develop our Group and strengthen the offer within kitchen, bath and storage systems" Anders Wassberg says, CEO of Ballingslöv International. He continues; "through the acquisition of Manhattan Furniture we enhance our position in the interesting UK market further".
