

## New Managing Director JKE Design A/S

Claus Nørgaard is appointed new Managing Director of JKE Design A/S from the 1st of February 2017. Claus succeeds Søren Overgaard who will leave the company.

Claus has extensive international business experience, most recently as MD of Trip Trap Woodcare, a company with focus on care and maintenance of wood.

Claus will report to Business Area Director Lars Bay-Smidt.

We thank Søren for his efforts in the Group and wish him and Claus all the best with their new challenges.
